### What's included in the package of care:

Brief informal telephone or email check-ins until your next paid appointment to assess the homeopathic prescription and your progress. It is your responsibility to check in by telephone or email. Telephone check-ins can be booked online at: <https://calendly.com/zhomeopathy/check-in/> and I endeavor to answer emails within 24 hours Monday – Friday.

### Recommended consultation spacing:

After we meet for the initial consultation, I recommend the first follow up consultation be scheduled 3-4 weeks later. The second follow up should be scheduled approximately 6 weeks after that. This seems to be the best spacing to maximize the homeopathic process and effectiveness of the remedies.

Subsequent consultations will then be spaced every 8 – 12 weeks or according to my recommendations. Consultations can be booked online at

<https://zettlhomeopathy.ca/online-booking/>. I will notify you 1 – 2 weeks before your next appointment is due if nothing has been scheduled and you can book it then.

## **Acute consultations**

\$25 for 10 – 15 minute consultation. Sometimes situations arise during treatment that require an acute remedy (coughs, colds, injuries, cystitis). Recommended remedy can be picked up at your local health food store or can be dispensed from Zettl Homeopathy for \$10-15.

## **Payment for services**

Payment for the consultation and remedies is due at the end of each appointment. For appointments in person; cash, cheque, e-transfers, and credit cards are accepted (3% service charge for credit card payment).

For appointments over Video Call, payment is due before your remedy will be mailed. An invoice will be emailed to you shortly following our consultation that you can pay by credit card, or e-transfer the due amount. There is an option to have your credit card on file.

## **Cancellations and rescheduling appointments**

We require 48 hours notice to cancel or reschedule an appointment otherwise a \$40 missed appointment charge will apply. You will receive an email reminder five days before your next scheduled appointment with links to change your appointment time or cancel.
